

The screenshot shows a Gmail interface. On the left is a sidebar with navigation icons for Mail, Chat, and Meet, and a list of labels including 'Kotak Masuk', 'Berbintang', 'Ditunda', 'Terkirim', 'Draf', and 'Selengkapny'. The main area displays an email from 'Kinetik' with the subject '[KINETIK] Submission Acknowledgement'. The email is from 'Amrul Faruq' (kinetik@umm.ac.id) to 'kepada saya'. A translation bubble indicates the message is in Indonesian. The email body contains a submission acknowledgment for a manuscript titled 'Parameter Efficient Models for Malaria Detection and Classification Using Small-Scale Imbalanced Blood Smear Images' submitted to Kinetik: Game Technology, Information System, Computer Network, Computing, Electronics, and Control. It includes a submission URL, username, and contact information for Amrul Faruq. At the bottom, there are three buttons: 'Thanks a lot.', 'Thank you for your mail.', and 'Thank you for your response.'.
